Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-3, 14 and 19-20 are finally rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claims 1 and 2, the phrase “bi-axially oriented polyethylene polypropylene sheet” lacks proper antecedent basis because the specification only provides a bi-axially oriented polypropylene sheet. In claim 14, the phrase “the polypropylene sheet” lacks proper antecedent basis. In claim 14, the phrase “... is the inner sheet of the wrapping bag” is incorrect and indefinite because Figure 3 of the instant patent application shows the polyethylene sheet is the inner sheet of the wrapping bag.

Allowable Subject Matter

3. Claims 1-3, 14 and 19-20 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
4. claims 5-13 and 15-17 are directed to non-elected claims with traverse must be cancelled by the Applicant in response to the Office Action.

Response to Arguments

Applicant's arguments filed on 6/7/2007 have been fully considered but they are not deemed to be persuasive.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
